Parkland Estates Starts Construction on Four New Homes

Dana Point Development Corporation has recently begun construction of four (4) new homes in Parkland Estates – a 74-lot subdivision located at the corner of W 2nd Street & Lakeview Boulevard in the City of North Platte.

The new homes will range from 1,346-1536 sq ft. Each ranch style home will have 3 bedrooms, 2 full baths, 2 car garages, covered front porches, vaulted living room ceilings and tray ceilings in the master bedrooms. Full appliance packages featuring refrigerators, range/ovens, dishwashers, microwaves and washer/dryers will be included.

“We are very pleased with the success of Parkland Estates. North Platte is a wonderful community and this subdivision has become a very desirable place to live,” commented Matt Thomas, President of Dana Point Development Corporation.
