*Heather Estates Breaks Ground*

Dana Point Development Corporation has begun construction on the Heather Estates community in the City of Imperial. Completion is estimated for Summer 2014. Heather Estates consists of two phases, one being ten (10) unit single-family rental homes. Homes will consist of 3 and 4 bedroom plans with two-car garages. The second phase is (4) single-family homes available for ownership, with 3 bedrooms and two baths. Homes are currently available for sale and have 4 floor plans to choose from, ranging from 1,350-1,600 sq ft. Each of those homes will have basements, vaulted ceilings, 9 foot ceilings, covered porches and will be completed Spring 2014.

“This development meets a great need for housing in the City of Imperial. The City of Imperial has been very welcoming and its residents will be pleased with the quality of homes in their community,” commented Matt Thomas, President of Dana Point Development Corporation.
