*\$10,000 Contribution Made to Aurora Housing Development Corp*

Upon the completion of the Robin Estates development, a \$10,000 contribution to the Aurora Housing Development Corporation (“AHDC”) was made by Dana Point Development Corporation as the General Partner of Robin Estates, L.P.

Robin Estates was developed by Dana Point Development Corporation and financed by the Nebraska Investment Finance Authority, the Nebraska Department of Economic Development and Horizon Bank out of Waverly, NE. Project tax credits were acquired by Midwest Housing Equity Group, Inc., out of Omaha, NE.

Located on Robin Drive at the corner of 18<sup>th</sup> and A Streets in Aurora, Robin Estates is a bungalow/cottage style development of ten (10) single-family homes with covered front porches and rear patios. Every home features a 14-foot high ceiling in the living room and dormer with windows making the units very light and cheery. Yards are fully landscaped with sod and various plants/shrubbery and automatic underground sprinklers. Other amenities included are security systems, and Energy Star appliances: washer/dryer, refrigerator, microwave, range and dishwasher.

“We hope the \$10,000 contribution to AHDC will assist them with their Mission to improve and provide affordable housing in Aurora. There are many individuals and organizations involved in making and keeping Aurora a great community and AHDC is one of those groups,” commented Matt Thomas, President of Dana Point Development Corporation.
