*Jackson Meadows breaks ground*

Dana Point Development Corporation has begun construction on the Jackson Meadows development. Jackson Meadows is a rental community located on 51<sup>st</sup> Avenue in Columbus. The development will consist of twenty two (22) senior duplex units, with amenities & upgrades such as extensive brick & exterior decorative accents, landscaping with underground irrigation, Energy Star appliance packages including washers & dryers, security systems, extensive use of crown & beadboard moldings, vaulted ceilings, attached insulated garages with additional storage and more. Each building will differ with diverse color schemes and varied siding type and brick placement.

“This will be a great project for Columbus. There has already been a lot of interest,” commented Matt Thomas, President of Dana Point Development Corporation.
