*Lexington Estates Project Completed*

Dana Point Development Corporation is pleased to announce the completion of construction on the Lexington Estates development in the city of Lexington.

Lexington Estates is a rental community consisting of (12) twelve newly construction single-family homes on Reagan Drive and Linden Street. Each home has three bedrooms, two baths, approximately 1350 square feet and a two car garage. Amenities include two-car garages, washers/dryers/dishwashers, security systems for each unit, brick/shutter/porch railing accents, extra storage and some Green Built standards.

“We are quite pleased with the support we have received from the city of Lexington and their partnership allowing this project to happen,” commented Matt Thomas, President of Dana Point Development Corporation.
