Jackson Meadows to Celebrate Grand Opening with Ribbon Cutting

Dana Point Development Corporation has completed construction on the Jackson Meadows development in Columbus and will be having a ribbon cutting ceremony on Monday, September 16, 2013, at 11:30am.

Jackson Meadows is a rental community located on 51st Avenue in Columbus. The development consists of twenty two (22) senior duplex units, with amenities & upgrades such as extensive brick & exterior decorative accents, landscaping with underground irrigation, Energy Star appliance packages including washers & dryers, security systems, extensive use of crown & beadboard moldings, vaulted ceilings, attached insulated garages with additional storage and more. Each building differs with diverse color schemes and varied siding type and brick placement.

“We are quite pleased with the response. Every unit has been filled upon completion of construction and we are currently maintaining a waiting list. This fills a great need and we are proud and excited to be in Columbus,” commented Matt Thomas, President of Dana Point Development Corporation.
